1. School profile

Merrigum Primary School is a small rural school situated 30 kilometres west of Shepparton in North Eastern Victoria. The school is well regarded for its focus on an evidence-based approach to teaching and learning. It is known for its explicit, systematic approach to teaching fundamental concepts and skills to allow students to have the best foundation to extend complex thought and learning in the later years. The school provides professional development in evidence-based instruction and leadership to all staff.

Currently the school has an enrolment of 17, with the students working in multi-aged classes (1 x P-2, 1 x 3-6) and a strong emphasis on team teaching. Our school offers a safe, happy and inclusive environment. Our spacious learning environment has the latest technology, with individual laptops and iPads to supplement the classroom learning program. We provide social skills instruction, hands-on authentic learning and have a chook shed and vegetable garden that supplements the classroom learning program.

Our student Leadership provides a strong voice for the student body. Our hard working School Council has a strong sense of pride in our great rural setting and takes an active role in the governance of the school. Our fundraising committee are a highly motivated group that focusses on raising funds for the needs of the school and the classrooms.

Merrigum Primary School promotes a strong relationship with neighbouring small schools (Lancaster, Stanhope and Girgarre) for extra curricula activities such as camps, excursions and visiting performances for students, as well as providing professional opportunities and sharing best practice between teachers.

The school's vision is to provide innovative, lifelong learning in a supportive global community. This underpins the School Wide Positive Behaviour values of Responsibility, Respect and Resilience.
